Re: Ira Idzkowski

To Whom It May Concern,

Our company, Zulu Alpha Kilo Inc, is an advertising agency in Toronto. In late 2010, we began to work with Mr. Idzkowski and his company, Aliya International Inc. He was effectively our general contractor for fit-outs on an additional floor of office space. Mr. Idzkowski is a true professional and very responsive to requests. He ensures work is completed on time, on budget, and most importantly, according to specs and drawings. I trust Ira and his team.

After the completion of our fit-outs, we've continued to call on Mr. Idzkowski for other office maintenance projects including, painting, plumbing, floor work, and other projects. Regardless of the size of the job, Ira always delivers with an upbeat and courteous attitude.
